Text & Melodie by Rachel Carmen

mmmh magic moments.
There are so many stories to tell you,
the way they are

One of these magic moments
was when you sang a song for me.
on your lovely guitar.

But then I got colder and
You gave me your shoulder
and your hands to warm me up

I feel home - I am home
It feels like home - I am home

Hmm magic moment before the first kiss
I never want to miss it again,
I felt the longing come over me

It was a flash of light and your lips held me tight.
You were my lover that first night

You looked deep into my eyes.
And it felt like the sun is rising.
my heart was full- full of love

I feel home - I am home
It feels like home - I feel home - I am home
I feel home in my soul.

Please stay by my side.
All the love you gave me that night
ooh magical moment in my life
take me home
please take me home with you

I feel home - I am home - It feels like home -
I feel home - I am home I feel home in your soul.
